

READY4Disaster

**“RESILIENT COMMUNITIES THROUGH AWARENESS AND PREPAREDNESS
AGAINST THE RISKS OF FIRE, FLOOD, AND LANDSLIDE”**

International Webinar: “Climate Change and Natural Disasters”
November 5 2024

Kylene De Angelis - Training 2000 - Italy

training2000@training2000.it

Our goals today

- 1. Raising awareness on climate change and natural disasters risk reduction**
- 2. Sharing the READY4DISasters main results**
 - Competence map for volunteers and trainers
 - Online course and OERs (e-learning)
 - Strategic game (Mobile App)
- 3. Fostering collaboration between civil protection organizations, communities to address climate change, disaster risks and build resilient communities across the EU.**
